Local SF Beverages Aplenty at Aurea Lounge

Stanford Court hotel, under new management, is launching a bevy of locally-sourced beverages in the Aurea Lounge, featuring craft brews, regional wines, and Hangar 1 Vodka and St. George Spirits on tap. Hangar 1 has devised a menu of handcrafted SF-inspired cocktails, designed exclusively for Aurea, that use seasonal and local ingredients. Highlights include the Golden Spike (Hangar 1 Buddha's Hand Citron, St. Germain, Cointreau, lemon juice, mint leaf) and the Pagoda Alley (Hangar 1 Mandarin Blossom, Galliano, orange juice, cherry), among other libations. Situated atop Nob Hill at 905 California Street, the Aurea Lounge is open daily from 5pm – 12am, and is located in the Stanford Court Hotel's lobby.
